

ROOM DOOR & INTERIOR DOOR

ABOUT US

We started our activities in 2009 as DOORHOME INTERIOR DOOR factory. By constantly improving the quality of our products, following the technological needs of the age and focusing on customer satisfaction, we always produce quality products and offer quality service to our customers.

DOORHOME INTERIOR DOOR, which constantly renews and develops itself in order to provide better service to the customers without sacrificing quality, has adopted the principle of quality production in international standards with its experienced staff.

DOORHOME INTERIOR DOOR exports its products to 30 different countries outside of Turkey with our 10.000 m2 factory area and 5.000 m2 production area in Kayseri Organized Industrial Zone. With nearly 20 years of export experience, we work for you, our valued customers and we solve any problem that may arise from the production stage of our product to the end consumer.

DOORHOME INTERIOR DOOR manufactures wooden doors to offer consumers a safe and aesthetic life. We attach great importance to the safety and design of every door we manufacture.

DOORHOME INTERIOR DOOR is expanding its product range day by day with its rich color and model options. Our company has a monthly production capacity of 3000 wooden interior doors. The main types of interior doors we produce are wooden interior doors, PVC coated wooden doors, hotel doors, special project doors, WPC Wood plastic composite doors, lacquered and embossed doors. It is among the door types that we produce in our special size and uniquely designed models in line with the demands of our customers.

OUR VISION: We attach great importance to the quality and aesthetics of each door in production. - 100% Customer Satisfaction. To expand the dealer network at domestic market and abroad - To develop and produce products in international standards. It expands its line by expanding its product range day by day with its rich color and model options. 100% Quality. 100% Aesthetics. The best prices for our customers is our goal. -On time delivery is as our promise. It is our principle to produce quality products.
